

Mv. SPICE ISLANDERS TRAGEDY - ZOP PARTICIPATION

The day started with diversion of mobile clinic bus to Nungwi, the nearest shore point to the accident instead of the scheduled mobile clinic camp at Muyuni village. ZOP joined the relief effort by collecting the military doctors from Bububu Military hospital with its second passenger bus. ZOP distributed its voluntary team between Nungwi, the main port at Malindi that was taking in the bodies and survivors on boats from Nungwi, Mnazi Mmoja hospital where patients were being treated for shock with intravenous fluids and counseling, and the football pitch at Maisara, where the bodies were being laid for identification amidst a crowd of thousands.
